

What are the benefits of team builds?

- Fun and rewarding experience for your group
- No experience necessary! Our experienced construction staff will teach your team everything you need to know on-site
- Building together strengthens relationships, creates memories, develops leadership skills, encourages positive communication, and builds trust
- Weekday builds helps us build more houses in less time, enabling us to help more local families with affordable housing
- Reinforces your company's or organization's commitment to giving back to the community

What's included?

- Private weekday team build day for 10 to 20 individuals* age 18 and over
- Habitat for Humanity T-shirt for each participant (some groups may prefer to wear company t-shirt)
- Lunch for each participant
- Timely cross-promotion on Facebook & Twitter
- Invitation to home dedication
- Certificate of appreciation

**If your team has less than 10 or more than 20 participants, please give us a call to see if we are able to accommodate your request*

How much does it cost?

- Corporate Weekday Team Build Days for businesses - \$100 per person
- Service Weekday Team Build days for non-profits and civic groups - \$55 per person

Why do we charge for weekday team builds?

Building and repairing homes requires large investments for materials and labor. A portion of each Weekday Team Build contribution pays for a site supervisor, lunches, and t-shirts. Individual and group contributions are our most important source of funding, and 100% of your tax-deductible donation goes towards building homes that are sold to local families in need of affordable housing through zero interest or zero-equivalent interest mortgages.
