

2021-2022 Impact

We are thrilled to share the impact achieved by Alachua Habitat for Humanity during the fiscal year 2021-2022. With the incredible support of our donors, volunteers, and community partners, we have made significant strides towards our mission of providing safe and affordable housing.

We extend our heartfelt gratitude to all our supporters and partners who made these achievements possible. Together, we are building strength, stability, and self-reliance through shelter. As always, we are grateful for the dedication of our volunteers and will continue to provide opportunities for members of the community to get involved.
